Off Peak fares are available only on services shown. For extra convenience, an Off Peak ten trip ticket is also available.

Child fares

Children aged 4 years or less travel free if accompanied by an adult or a child aged 14 years or more. Children aged 5 years to 15 years will be charged a child fare. Full-time secondary students aged from 16 years to 19 years will be charged a child fare upon producing current identification issued by their secondary school.

School Term ticket

This pass is available to full-time primary and secondary school students for travel between school and the station nearest their home. School students without a pass will be required to pay a child fare.

Bicycles

Bicycles will be carried on Tranz Metro services, room permitting. There is a limit of two bicycles per baggage compartment. The Wairarapa services have their own baggage van and can carry more bikes. When services are replaced by buses, bicycles cannot be carried on the bus. The charge for bicycle carriage was removed on 1 July 2008 for a trial period.

Mobility impaired access

Due to a number of constraints on our network some of our services are more accessible to people using wheelchairs and mobility scooters than others. These constraints are detailed in our Guide for Mobility Impaired Access to Tranz Metro Services, as are a number of conditions that must be met for wheelchairs and mobility scooters to be accepted on our services. Please familiarise yourself with our conditions before you travel.

Copies of the Guide for Mobility Impaired Access to Tranz Metro Services are available from any Tranz Metro Ticket Office or www.tranzmetro.co.nz.
